What do you want to sell at the Coop? *Pick up to 4 items to start*

Product Name & Description	Retail \$	Coop \$*

***Pricing Suggestion: 30% or more off your retail pricing.**

*Our best practice is to sell your products for the same as you charge: we do not want to undercut your business with lower prices, *and* we need to sell all of your inventory, which is much harder if we have higher prices. We can cover **most** of our overhead at this level.*
